

Fall 2020 Issue

President's Message

. As I begin my Presidency, I will continue with the core value of mentoring our members and helping programs continue the high-quality care that we provide to our patients.

In the next few months, the board will be updating the strategic plan and working to see how we can help our members continue to grow and succeed in the field of cardiopulmonary rehab.

This has been a year for our programs as COVID-19 pandemic caused many of them to close for a few months and hopefully you are back open to an extent at least.

I am in high hopes we can have the regional meetings this fall if not in person possibly by zoom.

In our July meeting the board felt it was important to have the pre-conference meeting topic and we are hoping to arrange that later this year.

Please reach out to an officer or board of directors of IACPR with questions or suggestions as to how we can help you our members.

Sincerely,

Peg King
